WELCOME!

Hernando County lays claim to some of the finest fishing on Florida's west coast. Launch your own watercraft, or join an exciting charter to the fishing hot-spots to test your angling skills for snook, redfish, grouper, bass, cobia and record-breaking tarpon. Paddle in kayaks and canoes to take in the beauty of the Weeki Wachee and itlacochee Rivers, the Gulf shallows and backwaters. Got your camera? You'll need it to photo that great catch, a spectacular sunset, or natural coastal wildlife.
